

What is National Night Out?

It's America's Night Out Against Crime!

The 29th Annual National Night Out (NNO), a unique crime/drug prevention event sponsored by the National Association of Town Watch (NATW), has been scheduled for

Tuesday, August 7, 2012

NATIONAL NIGHT OUT is designed to:

- Heighten crime and drug prevention awareness;
- Generate support for, and participation in, local anticrime programs;
- Strengthen neighborhood spirit and police-community partnerships; and
- Send a message to criminals letting them know that neighborhoods are organized and fighting back.

Along with the traditional display of outdoor lights and front porch vigils, cities, towns and neighborhoods 'celebrate' NNO with a variety of events and activities such as:

- block parties
- cookouts
- visits from local police and sheriff departments
- parades
- exhibits
- flashlight walks
- contests
- youth programs

NNO has proven to be an effective, inexpensive and enjoyable program to promote neighborhood spirit and police-community partnerships in our fight for a safer nation. Plus, the benefits the community derives from NNO most certainly extends well beyond the one night.

CRIME & DRUGS

The History of NATW and National Night Out

The National Association of Town Watch (NATW) is a nonprofit crime prevention organization which works in cooperation with thousands of crime watch groups and law enforcement agencies throughout the country. Since 1981, NATW has been dedicated to the development, growth and maintenance of organized crime and drug prevention programs nationwide. NATW's network has grown to include over 6,500 crime, drug and violence prevention organizations.

National Night Out, 'America's Night Out Against Crime,' was introduced by the Association in 1984. The program was the brainchild of NATW Executive Director Matt A. Peskin.

In an effort to heighten awareness and strengthen participation in local anticrime efforts, Peskin felt that a high-profile, high-impact type of crime prevention event was needed nationally. At that time, he noted that in a typical 'crime watch community', only 5 to 7% of the residents were participating actively. Due to the growth and success of these programs, he felt this percentage was too low. Subsequently, he proposed a national program which would be coordinated by local crime prevention agencies and organizations - but that would involve entire communities at one time. The first National Night Out was introduced early in 1984 - with the event culminating on the first Tuesday in August.

That first year, 400 communities in 23 states participated in National Night Out. Nationwide, 2.5 million Americans took part in 1984. The seed had been planted. In subsequent years, participation has grown steadily. Last year's National Night Out campaign involved citizens, law enforcement agencies, civic groups, businesses, neighborhood organizations and local officials from over 15,325 communities from all 50 states as well as U.S. territories, Canadian cities and military bases worldwide. In all, over 37.1million people participated in National Night Out 2011.

While the traditional 'lights on' and front porch vigils remain a part of NNO, activities have expanded considerably over the years to include block parties, cookouts, parades, visits from police, festivals, neighborhood walks, safety fairs, contests, rallies and meetings.

Peskin said, "It's a wonderful opportunity for communities nationwide to promote police-community partnerships, crime prevention, and neighborhood camaraderie. While the one night is certainly not an answer to crime, drugs and violence, National Night Out does represent the kind of spirit, energy and determination that is helping to make many neighborhoods safer places throughout the year. It [NNO] is a night to celebrate safety and crime prevention successes - and to expand and strengthen programs for the next 364 days."
